# Our Solution

## ETOIE BIG LEAGUE

**ETOIE BIG LEAGUE** is a **FRESHER PLACEMENT PROGRAM** comprising **EMPLOYABILITY & INDUSTRY READY** Skills Training program and **JOB OPPORTUNITIES**. We are engaged with **700+** Top Companies to facilitate the placements for students. Under this program, every student will get a minimum of 5 interview opportunities with our empanelled companies. The Industry ready skills program begins with pre-assessment, training, post-assessment and grading before being given the interview opportunities.

## ETOIE ARCADE

**ETOIE ARCADE** is an exclusive **EMPLOYABILITY & INDUSTRY READY** skills training program and it is designed and aimed at fixing all the skill gaps of students. Unlike many other training programs, **ETOIE ARCADE** provides the **ANDRAGOGY** method of teaching and **EDUTAINMENT**-based training of various soft skills. Our team have curated over 200 activities for all topics, so one can be assured that they can never run short of innovative and fun-filled activities that will ensure learning in the best possible way.

## ETOEE INTERN

**ETOEE INTERN** is an “**INTERNSHIP**” program for college students. **ETOEE** provides the Internship opportunity for students and colleges to choose internships in our empanelled companies across the country. Internships offer students the chance to put what they are learning into action, in a real-world environment. This helps you better understand the theories and strategies you have been reading about, cementing the learning process and giving you greater focus..

## ETOEE INDUSTRY CONNECT

**ETOEE INDUSTRY CONNECT** is an “**INDUSTRY VISIT PROGRAM**” for college students. **ETOEE** facilitates the much-needed industrial visits to students. The industrial visit allows students to interact with experts in the field to get better insights into the roles, responsibilities and other requirements of the positions the students will be seeking in the future. The top universities in India have industrial visits as part of their curriculum to help inculcate the practical workplace environment in the students and to render a holistic education to them.

# The Purpose

**ETOEE** is built on a solid foundation of proven leadership, great work culture, strong team, and a commitment to **SOLVE THE UNEMPLOYABILITY PROBLEM AMONG GRADUATING STUDENTS.**

- ★ According to Surveys, 80% of Indian engineers are not fit for jobs and there is about 30 million youth actively looking for jobs at any point in time.
- ★ According to India Today, 90% of the Job seekers feel Soft Skills are very important for employment which they lack.
- ★ Fresher hiring is becoming increasingly difficult for recruiters as they have to grapple with challenges such as embellished resumes, skills gaps, and attitudinal issues.
