

## ETOE REBOOT Program

This information is related to the “**QUALIFYING TEST**” for the "Pay After Placement model" of the **ETOE REBOOT program**. Before taking the Test, please read the below instructions carefully. The Qualifying Test will be of **45 minutes duration**.

- The Test comprises of Objective type **Multiple Choice Questions (MCQs)**
- All the questions are to be compulsorily answered and each question carries One mark
- There will be **NO NEGATIVE MARKS** for the wrong answers
- The students need to click on the Right Choice / Correct option from the multiple choices /options given
- The system will automatically shut down when the time limit is over OR alternatively if the student finishes the exam before the time he can quit by pressing the 'Submit Test' button.
- Close all the browsers/tabs before starting the online Test.
- Once the Test starts, do not switch to any other window/tab. On doing so, your attempt may be considered as malpractice and your Test will cease immediately.
- Make sure you start the test and end it without break, you cannot pause and resume once the timer starts ticking.
- Ensure you have a Stable Internet Connectivity
- Use a Desktop or Laptop for the Test for better results.
- Ensure that your test-taking Gadget/Interface is fully charged and/or plugged into a power source.

Those who are qualified in the test will get a call from our team and are eligible for the **PAY AFTER PLACEMENT – NO UPFRONT FEE** model.
