

**Job Role:** Trainee Software Engineer (ONLY FEMALES)  
**Location:** Hyderabad (A.S Rao Nagar, Somajiguda)  
**Date** Interview on 10/1/2024 (Tomorrow)  
**Company** Khazana Jewellery  
**Salary:** ₹2 to ₹3 LPA  
**Duration:** Full Time  
**Qualification:** Any graduate other than B.Tech/BE/ME/M.Tech.  
Postgraduates also do not apply.  
**Year of Passout:** 2021, 2022 and 2023

**Job Responsibilities:**

- Welcoming Customers: Greet customers as they enter the showroom. Make them feel comfortable and valued.
- Guiding Customers: Direct customers to the appropriate counters or sections based on their needs or interests.
- Assisting in Purchases: Help customers during their purchase process.
- Provide information about different jewellery pieces and assist them in making the best choice.
- Collecting Feedback: Engage with customers as they prepare to leave, asking for their feedback on their experience. This could include their thoughts on the showroom, the service, and the products.
- Wishing Customers: Wish customers as they leave, ensuring they depart on a positive note. This could include saying things like Have a great day! or We hope to see you again soon!
- Maintaining a Positive Demeanor: Maintain a friendly and approachable demeanour.

**Requirement:**

- Wearing a saree for the interview is mandatory.
