

The Purpose

ETOE is built on a solid foundation of proven leadership, great work culture, strong team, and a commitment to **SOLVE THE UNEMPLOYABILITY PROBLEM AMONG GRADUATING STUDENTS.**

- According to Surveys, 80% of Indian engineers are not fit for jobs and there are about 30 million youth actively looking for jobs at any point in time.
- According to India Today, 90% of the Job seekers feel Soft Skills are very important for employment which they lack.
- Fresher hiring is becoming increasingly difficult for recruiters as they have to grapple with challenges such as embellished resumes, skills gaps, and attitudinal issues.

Vision & Mission

Vision

To inspire and create value to the Community, Employees, Customers, Shareholders, and all the stakeholders of Education beyond profits by providing innovative products and solutions to the current problems.

Mission

Achieve our objectives by providing the highest quality products & services, by being innovative, by building strong relationships with our customers, suppliers & community, by providing a working environment of trust, recognition, entrepreneurship and integrity.

The Leadership

G S Raju

Chief Executive Officer

A proven business leader with 40 years of experience in driving the culture and results across India, USA, Middle East, and Southeast Asia. He is also a natural coach, mentor, storyteller, and a motivational speaker.

Praveen Kumar

Chief Operating Officer

Praveen's Core strength is breakthrough innovations with an experience of 13 years in the transformation of ideas from concept to actionable items. His research and problem-solving abilities lead to many ideas in Government & IT Industries.

Testimonials & Reviews

ETOE ARCADE program has helped me boost my confidence to talk publicly without fear. This program has enhanced my soft skills and communication skills. The training faculty here are very much friendly and helpful. I personally feel that every fresher should attend this program to get nice opportunities. ETOE has helped me land my first job and start my career. Thank you ETOE!

Krishna Keertana
Placed in Navayuga Infotech

ETOE has been a great help for me. It has always provided us with the best-talented resources that have helped our skills and grow towards the path of success. We are very thankful to ETOE and will always prefer them when someone asks me about ETOE. The kind of resources ETOE has provided is outstanding. From time to time follow-up with students is appreciable.
